

Argentina

In Buenos Aires (Capital of Argentina) April 11 last, Jorge A. Pereda passed away. He was a rural producer, public officer, promoter of the Pedagogy of Alternate System in Argentina.

He was the first President of APEFA and, therefore, a firm promoter of the *Escuelas de la Familia Agrícola* of Argentina.

He was member for several periods of the AIMFR Board, since its creation in Dakar.

He also dedicated part of his life to intercultural bilingual education and to the defence of native peoples.
